EXECUTIVE SUMMARY

A distinguished 2025 Chevening Scholar and Policy Researcher with a 15-year track record of excellence in disability advocacy and social entrepreneurship. Combining rigorous academic research with powerful lived experience as a person with visual impairment, I provide strategic insights into inclusive policy, digital accessibility, and leadership. As a seasoned public speaker featured on major national media, I empower organizations to bridge the gap between human resilience and systemic inclusivity.

WORK EXPERIENCE

National Research and Innovation Agency (BRIN)

Policy Researcher (2022 – Present)

- Leading strategic research on inclusive education to provide evidence-based policy recommendations.

Ministry of Education, Culture, Research, and Technology

Test Developer/Specialist (2018 – 2021)
